Connecting to your ORANGE Telephone/Internet account

And creating a second email/account

To log in to your client account "espace client" please go to www.orange.fr and follow the links to "espace client" or click on the link below.

https://espaceclientv3.orange.fr/?page=gt-home-page

If you are connecting from your registered French address, you may find that you are already logged in, in which case please go to "vos contrats" as described below.

You will then need to click on the button "**m'identifier**"
Enter the following details (see logon details in your email from Running Repairs):
email address: **xxxxxxxxx**

password: **xxxxxxxx**
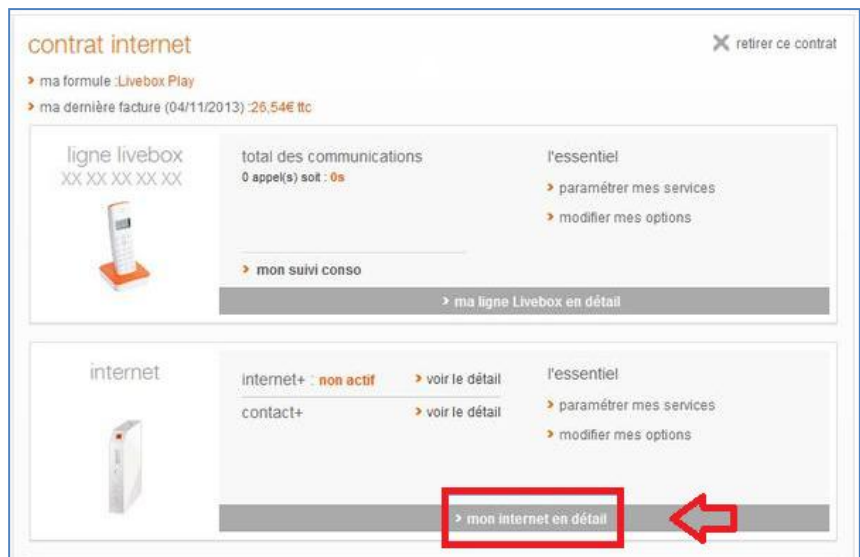

Then click "**s'identifier**"

You should now be logged in.

To access your contracts please click on "**Vos contrats**"

Under the "Internet" section click on "**mon internet en détail**"

Click on "**gérer vos utilisateurs**"

Then click on "**ajouter un utilisateur**"
